£77,000 to £79,999	90% fees to pay	10%
£80,000	100% fees to pay	NIL

Relevant income is calculated using the Means Testing Form. It takes into account gross taxable income of the household, the gross assets of the household and the number of dependents in the household.

A £400 deposit is payable by parents who are assessed with 50% fees to pay or higher.

Families with more than one child in the scheme pay a reduced rate for the second child. Please ask for more information.
